

TARGET GROUPS

Young women (16–26 years old) who:

- Have undergone and completed alcohol/drug addiction rehab programs.
- Face kinds of discrimination and are considered to belong to vulnerable groups.
- Belong to the definition of NEETs and are marginalized with no education or training opportunities.

Reintegrating young women into social life by offering training opportunities related to ecotourism.

ABOUT THE PROJECT

REACT4Women is a European funded program that aims to integrate into the social life of young women in reintegration by offering training opportunities related to ecotourism.

Co-funded by
the European Union

REACT4WOMEN

FOSTERING THE RE-INTEGRATION OF REHABILITATED
YOUNG WOMEN THROUGH ECOTOURISM OPPORTUNITIES

PROJECT NUMBER:

2022-3-CY02-KA210-YOU-000093826

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

RESULTS

-European communities will be aware of all forms of discrimination against young reintegrating women and the need for social inclusion and access to training opportunities.

-Marginalized and vulnerable young women will develop important skills that can help them enter the European labor market.

-Young women will be engaged and motivated to participate in informal and non-formal education.

-Through the application of playful and experiential learning, ecological awareness will be spread.

-Young women in reintegration will have the opportunity to join communities of peers, mentors, trainers and other relevant agencies, minimizing the possibility of social exclusion and discrimination.

TARGET GROUP

- Culture and tourism professionals
- Public authorities/NGOs/other types of organizations working for social inclusion.
- Adult training centers wishing to adopt the REACT4women training methodology.
- Policy makers influencing practices that will promote social inclusion through green practices.
